

# Tucker Byl Memorial Ski Racing Scholarship Application

Please fill out the entire application. Please involve the student when answering questions 1 and 2.

**PLEASE NOTE:**

1 – This is a SKI RACING program, not a learn to ski program. The student must be able to ski, stop, turn and use a chair lift to be considered/participate.

2 - HRT is a family-oriented race team and families must volunteer their time to work at least two (2) HRT races held at Mt. Holiday during the eight-week racing season. If you receive a scholarship and fail to fulfill this commitment, you will be required to pay back the funds you have received. Go to [www.holidayraceteam.org](http://www.holidayraceteam.org), click on the Parents tab and scroll to “Parent Volunteers” to learn more.
